HIGH SCHOOL NOTES

The High school has decided to publish a bi-weekly newspaper. The staff will be organized this week, so that the first edition will appear at an early date.

Arthur Nunn paid his respects to the high school one day this week.

Douglas Hindenach says it adds greatly to the flavor of an apple to eat it in class.

Not willing to be beaten by the weather, the sturdy seniors, who were to have taken a sleigh ride to the home of Donald Purington, gathered instead at the home of Marion Mutchler where a most delightful evening was spent in games and music. Miss Marion is a charming entertainer and long before the evening was over, all thoughts of the storm which was severe earlier in the evening, was forgotten.

A serious accident occurred at the Rink last Friday noon, when Lester Hodge, in suddenly bending over to stop the basket ball, subjected that part of his trousers which are most worn by sitting in the seats at school to a too severe strain. He took a side street to the Avery barn and thence home. He was greatly comforted by the sympathetic words of his school mates.

If you want to see the best that the Columbia Literary Society can do, you should attend the program which will be given this afternoon. The program which follows is their final effort to win the championship.

Quick Cold Relief

Is usually found through the prompt administration of a mildly laxative, dispersive tonic—one that will scatter the inflammation, remove the waste, and help Nature to build up resistance.

Peruna is That Tonic.

Its action is prompt, usually very effective, and its use is without harmful effects. Every household should keep it at hand for this purpose, and every catarrhal sufferer should regularly use this reliable remedy.

The tablet form will be found very convenient. A tablet or two at the very beginning of a cold will frequently prevent its development, and these tablets may be taken regularly with beneficial results.
